VIT Vellore Courses, Fees and Eligibility Criteria

Degree Name	Total Fees	Eligibility Criteria
B.Tech	Rs. 6,92,000 - Rs. 7,80,000	Minimum 55% marks in Physics, Chemistry, and Mathematics/Biology subjects in 12th standard from a recognised board (45% for SC/ST candidates)
B.B.A		At least 60% marks in 12th class with Commerce/Accountancy/Book Keeping and Accountancy/Mathematics/Business Maths & Statistics/Business Studies/Business Management/Business Economics/Economics as one of the subjects (50% for SC/ST candidates)
B.C.A	Rs. 1,65,000	Aggregate score of 60% marks in HSC with with Mathematics/Business Mathematics as one of the subjects from a recognised board (50% for SC/ST candidates)
B.Com		Minimum 60% marks in 12th standard with Commerce/Accountancy/Book Keeping and Accountancy/Mathematics as one of the subjects from a recognised board (50% for SC/ST candidates)
B.Des	Rs. 6,92,000	Aggregate of 60% in Physics, Chemistry and Mathematics (PCM) in 10+2 from a recognised board (50% for SC/ST candidates)
B.Arch	Rs. 14,25,000	
B.Sc.	Rs. 1,65,000 - Rs. 7,50,000	12th standard or its equivalent from a recognised board
M.Tech	Rs. 3,00,000 - Rs. 3,87,000	B.E/B.Tech degree in the respective discipline from a recognised university
M.C.A.	Rs 2,74,000	B.C.A/B.Sc. (IT/Computer Science) with at least 60% marks from a recognised university. Must have studied Mathematics at 10+2 or graduation
M.Des	Rs. 3,52,000	Minimum 60% marks in Engineering/Architecture degree from a recognised university
M.Sc.	Rs. 1,60,000 - Rs. 2,20,000	B.Sc. or any undergraduate degree from a recognised university

VIT VELLORE

Vellore Institute of Technology (VIT) is a private deemed university located in Vellore, India. Founded in 1984 as Vellore Engineering College by G. Viswanathan, the institution offers 64 Undergraduate, 35 Postgraduate, 16 Integrated, 2 Research and 2 M.Tech Industrial Programmes. It has campuses in Vellore and Chennai and sister universities in Amaravati and Bhopal.

RANKINGS

The varsity has been accredited by NAAC with an 'A++' grade. The campus of VIT Vellore is spread over an area of 372 acres and it has a total of 1732 faculty members. As per NIRF Rankings 2021, the university has secured 12th rank in the engineering and research category. The varsity has also been ranked at 21st position in the NIRF Ranking 2021 overall category. Further, it has been ranked 13th in the university category in NIRF Ranking 2021. VIT Vellore was ranked 55th in the NIRF Ranking 2020 in the management category.

VIT was ranked 801–1000 in the world by the Times Higher Education World University Rankings of 2020 and 201-250 in Asia.The QS World University Rankings ranked it 228 in Asia in 2020.

The National Institutional Ranking Framework (NIRF) ranked VIT 21 overall in India in 2021 and 13 among universities.

Among engineering colleges in India, VIT was ranked 12 in 2021 and 13 by Outlook India. The Week ranked it 19 in 2019 and India Today ranked it 20th among engineering colleges in 2020.

The VIT Business School was ranked 55 among management schools in India by NIRF in 2020.

CAMPUS LOCATION

The university is situated on Gorbachev Lane, Tamil Nadu. Katpadi is the closest railway station to the Vellore Institute of Technology. Auto Rickshaws are accessible at Katpadi Junction Railway Station and Vellore New Bus Stand. Students can also hire auto-rickshaws to get to the campus, or one could hire a taxi. The closest airport to the varsity is Tirupati Airport, 100 km away.

ACADEMICS

VIT consolidated its disciplines into 20 Schools of Study with the addition of the VIT Law School at its Chennai campus.

VIT implements the Fully Flexible Credit System (FFCS) which gives the students flexibility to make their own time tables by choosing the subjects and the faculties under whose guidance they want to study.

FACILITIES

The university campus is spread over a wide area of 372 acres. The university has a wide range of facilities. VIT Vellore facilities are provided for both students and faculty members. The varsity has separate hostels for boys and girls students. A modern gym and well-stocked library is also present at the campus. Further, VIT Vellore has modern classrooms equipped with the latest technology. Students can also avail indoor and outdoor sports facilities at the campus. Vellore Institute of Technology facilities list also includes wifi, cafeteria, IT infrastructure, medical centre, auditorium, swimming pool. guest house and transportation services. The details of VIT Vellore facilities are mentioned below:

Boys Hostel
The university has a total of 17 hostels for boys students. VIT Vellore boys hostels can accommodate around 1300 students. The hostels have single, double sharing, triple sharing etc. rooms for students. All basic facilities are available at boys hostels.

Girls Hostel
Vellore Institute of Technology has 6 hostels for accommodation of girls students. As many as 4300 students can be accommodated in girls hostels. A well equipped gym and modern swimming pool is present inside hostel premises.

Gym
There are two gyms at the campus, one for boys and one for girls students. Both the gyms have

modern equipment to ensure students are able to achieve their dream physique.

Library
The central library of VIT Vellore is a six stoery building. It is spread over an area of 7770 square meters. Students can find books, journals, research papers, publications etc. at the campus. Further, the library also has e-books, CDs and DVDs for students. The Central Library subscribes to national and international journals in print and e-Journals. The library has a video conferencing facility and NPTEL video courses.

Sports
For students who are interested in sports, the university has facilities for indoor and outdoor sports. The university conducts sports tournaments at regular intervals for students. Students are encouraged to participate in sports events.

Cafeteria
Vellore Institute of Technology has three canteens present at three prime places in the campus. All three canteens are contracted with external caterers and provide quality food at pocket friendly costs.

Auditorium
VIT Vellore facilities also consists of an auditorium. The modern auditorium hosts various national and international seminars, webinars etc. The auditorium is spacious and can accommodate a large number of students.

Medical/Hospital
A well-equipped health centre with 24*7 facilities for students is present at the campus. The medical centre of the varsity is run by the Chettinad Medical Group.

WiFi
Vellore Institute of Technology has wifi for students and faculty members. The wifi is available in every part of the campus. Students can even access wifi in hostels.

IT Infrastructure
The varsity has modern computing and IT communication services for the students. Entire campus of VIT Vellore has modern IT infrastructure.

Classrooms
The classrooms are spacious and equipped with the latest technology such as projectors, audio-visual equipment etc. VIT Vellore classrooms are also used for seminars and webinars. The modern classrooms allows effective teaching and learning.

Transport
The varsity has buses for transportation of students, staff and faculty members. The buses covers major areas of the city. Students are required to minimal sum to avail transportation services.

Swimming Pool
The campus also has a swimming pools for students. Separate pool for boys and girls are

present within university premises. Both swimming pools are of international standard. Swimming trainers are also there to train students.

Alumni Associations
{'desc': '<p>The VIT Alumni Association has been envisaged to foster a closely knit network bridging the gap between young budding VITians and the accomplished Alumni. Our Alumni have made us proud time and again by achieving laurels round the globe and we wish to showcase the same to our entire VIT family.</p>', 'name': 'Alumni Associations'}

Guest Room
To accommodate the visiting faculty and family members of students, the university has a well-maintained guest house.

ADMISSION TESTS

VIT admits bachelor students through its own engineering entrance exam, called the Vellore Institute of Technology Engineering Entrance Examination (VITEEE).
